Approval to purchase UV bulbs-Veolia

SUMMARY: Veolia is requesting to purchase parts from a sole source provider for the UV system at the Waste Water Treatment Plant. The cost for the parts is \$13,112.60. Council previously approved the purchase of 240 bulbs in December. These bulbs were received and the process of getting the system back online was initiated. It was discovered that more parts are needed to complete the project. The purchase is for 92 lamp ignitors, which is the ballast of the UV system and 24 additional bulbs.

BUDGET ACCOUNT:413-52230-940-012

NECESSARY COUNCIL ACTION: Approve purchase
