Discussion regarding Downtown Light Pole and Fixture Selection

SUMMARY: The City has received Quotes for the two types of poles for the Downtown project. The approximate cost of non-tapered poles (Site Link) and fixtures is \$227,000. The approximate cost of the tapered poles and fixtures is \$262,000 which is \$35,000 more than the non-tapered.

Drawings of each pole are attached.

Staff needs a consensus from the Council on which pole should be utilized in moving forward with the design.

BUDGET ACCOUNT:

NECESSARY COUNCIL ACTION: Discuss the aesthetics and price of each type of pole and give staff a consensus of a pole to move forward with the design.
