Aluminum Covers - Wastewater Treatment Plant

SUMMARY: Recommend low bid of \$15,813.00 from Bennett Industries for aluminum covers. This was originally bid as a deductive alternate of the recent UV project. Taking the deduction of \$45,000 from the original bid and bidding separate has resulted in a \$29,187 savings to the City of Crossville. Covers are needed to prevent algae growth in the disinfection structure.

BUDGET ACCOUNT: 413-52230-930-008

NECESSARY COUNCIL ACTION: Approval of low bid to Bennett Industries
