Approval of contract amendment regarding Hwy 127 North utility relocation contracts

**SUMMARY:** The City currently has a contract with Hussey Gay Bell for the design and construction administration for the Hwy 127 N utility relocations.

The contract currently reads for each task:  
Water Design and Construction Contract \$302,327.74 plus \$89,276.93 for inspection.  
Sewer Design and Construction Contract \$58,29.23 plus \$61,807.11 for inspection.

Hussey Gay Bell is requesting an amendment to allow for a total not to exceed rather than breaking into categories which would allow them some flexibility between the tasks. The total not to exceed amounts would be amended to read amounts not to exceed \$391,604.67 for water and \$120,101.34 for sewer. No additional funding is requested.
