Approval of Grant Contract with TDOT-Aeronautics for a 95% grant for runway and taxiway lighting (\$475,000 Federal/State; \$25,000-Local)

SUMMARY:

The City was successful in requesting grant funds from the State to replace the current taxiway and runway lighting system at the airport. With the attached contract, they are offering \$450,000 in federal funds, \$25,000 in state funds, and \$25,000 in local funds. Originally, we expected it to be a 90/10 budget with the City's share being \$50,000. However, they were able to utilize both state and federal funds to reduce the city's cost.

BUDGET ACCOUNT: 110-52500-930-002
