### Approval of sidewalk maintenance at and around 79 South Main Street

**SUMMARY:** Mark Moore recently purchased the building located at 79 South Main Street. The Downtown Sidewalk Project will be replacing the sidewalks in front of the building and down a portion of East First Street until approximately the first side entrance to the building. Mr. Moore is requesting for the City to replace the remainder of the sidewalk to the intersection of Thurman Avenue and East First Street. This is an additional 75 feet of sidewalk. Mr. Moore is currently remodeling the building and believes this would make a significant difference in the area.
