Ordinance amending the FY13-14 budget for a special city census

### SUMMARY:

As approved at the January 14<sup>th</sup> meeting, the David Warner will be conducting a special city census. Mr. Warner has reviewed the information provided and estimates that the population is between 11,248 and 11,667, which would generate 453-872 additional citizens. At the current rate for state-shared taxes, this would provide additional revenues of \$50,000-95,000 per year for the City. Since the 2020 census would not be certified until July 2021, this amount would be collected for 7 years or \$350,000 to \$665,000 over the ensuing years.

Mr. Warner has agreed to do the census for \$39,750 under the same arrangements as he did in 2006.

**BUDGET ACCOUNT:** Budget Amendment required

**NECESSARY COUNCIL ACTION:** Adopt budget amendment on third and final reading.
