### Thermal Imager Purchase

**SUMMARY:** The Crossville Fire Department requests approval to purchase two (2) Bullard EcoX thermal imagers. The thermal imagers will replace two older MSA imagers that are out of service. The MSA units were not cost effective to repair as they were purchased in 2004. The Bullard units are \$4500 each for a total of \$9000 to Emergency Vehicle Specialists (EVS). EVS is a sole source provider for Bullard Thermal Imagers for the State of Tennessee. These items are budgeted.
