Approval to purchase laptops for Police Department

SUMMARY: Bids were received for 36 laptop computers for the Police Department. The IT Department recommends rejecting the low bid of a Getac branded unit due to issues of support in the past. Also, the demo unit that was sent was over-spec'd and not a true representation of the actual computer the City would be purchasing. IT recommends to accept a direct quote from Dell in the amount of \$69,922.80. The budgeted amount is \$70,000.
