### Discussion and action on Surface Transportation Funds

#### SUMMARY:

The City has been notified that our 2015 allocation of Surface Transportation Funds will be \$134,039. They must be obligated, but not necessarily spent, by September 30, 2016. Several projects were discussed at the work session and there appear to be a consensus to use the funds for the rebuilding of the intersection at W. 4<sup>th</sup> and West Ave., including new traffic signals with pedestrian crossing.

BUDGET ACCOUNT: N/A

NECESSARY COUNCIL ACTION: Determine use of funds.
