Ordinance amending Title 14, Chapter 3, Section 303 (B) regarding Municipal Flood Damage Prevention

SUMMARY: Due to several annexations since 2007, an update to the ordinance dealing with Municipal Flood Damage Prevention is needed. The City and County are divided into “flood panels”. In the ordinance, the panels within the City limits are listed. The additional panels that need to be included in the ordinance are: 47035C0318, 47035C319, and 47035C340. These panels include the back portion of Homestead Place, Valley Lane, a large parcel east of Hwy 127 S, and the majority of Cumberland Mountain State Park.
