Approval of resolution selecting Wold/HFR for 2022 CDBG grant application

### SUMMARY:

The City is considering applying for grant funds up to \$630,000 to help cover costs for continuation of the greenway project. Solicitation letters were sent out for engineering services. Two firms responded. The attached resolution authorizes Wold/HFR to help with the planning and preparation of the grant application, at no cost, and provide engineering services, if the grant is awarded.
