Approval of resolution selecting Community Development Partners for administrative services
SUMMARY: Requests for Qualifications for administrative services were issued via mail to capable firms for the upcoming FY 2020 Economic Development Administration grant application. The only response received was from Community Development Partners, LLC. Since the firm is familiar with the project, it is recommended that they be utilized to assist in the preparation of the grant application. There will be no charge for their services in the application; however, if the project is funded, they would be asked to submit a contract for their services for approval by Council.
