### Approval to purchase Fire Department Rescue Helmets

**SUMMARY:** The Fire Department requests approval to purchase eighteen (18) Rescue Helmets from Team Wendy, who is the sole source for the helmet. The total cost for the order is \$4,815.45. The helmets are a lightweight "Bump" style helmet to be worn during technical rescue events, hazardous materials responses, and disaster response. We purchased 18 helmets for a total of \$4,815.45 in November 2019 and request approval to complete the order for the remaining members of the department. The additional order will bring the grand total to \$9,359.31. The items are budgeted and the vendor is a sole source.
