Discussion and action on Hwy 127 North Street Lighting

SUMMARY: The City currently has street lighting on Highway 127 North from the Interstate to the Circle K convenience store. TDOT has agreed to replace the street lighting in this area at their cost. A decision needs to be made on how far future street lights are installed so that all of the lights can be designed by TVA at one time and TDOT can approve the complete lighting system. A map is attached showing the proposed centerline.

BUDGET ACCOUNT:

NECESSARY COUNCIL ACTION: Discuss the lighting along 127 North.
