Presentation on Junior Achievement

SUMMARY: Rich Soenen and Wendell Wilson will be present to make a presentation on Junior Achievement, which is the world's largest organization dedication to inspiring and preparing young people to succeed in a global economy. Through a dedicated volunteer network, Junior Achievement provides in-school and after-school programs for students that focus on three key content areas: work readiness, entrepreneurship, and financial literacy. Today, 126 individual area operations reach more than four million students in the United States, with an additional 5.7 million students served by operations in 122 other countries worldwide.
