File #: 16-0324, **Version:** 1

Ladder Truck Repairs

SUMMARY:

As discussed at the July regular meeting, the ladder truck was sent to Roanoke for annual inspection at the same time that the wrecked fire truck was delivered. The inspection of the report found significant issues that must be repaired before it can be certified. The estimated cost is \$14,000-\$20,000. The Interim City Manager discussed the situation with individual members of Council and received the go-ahead to proceed with the repairs.

BUDGET ACCOUNT: Budget amendment required for these repairs and the repairs to the wrecked fire truck, which were estimated at \$29,367.37 (legislative file 16-0326)

NECESSARY COUNCIL ACTION: Approve repairs
