Medical Screenings

It is the recommendation of Staff to use Cumberland Medical Center Occupational Medicine primarily for all medical screenings for fiscal year 2015-2016 and ExacCare as a secondary service. ExacCare has extended business hours and open on the weekends. This would benefit the City to provide service without an after hours fee.

BUDGET ACCOUNT:

To approve Cumberland Medical Center Occupational Medicine as primary provider and ExacCare as secondary provider for Medical Screenings for fiscal year 2015-16.
