Matters relative to Meadow Park Lake dam maintenance

SUMMARY:

As discussed in work session, the City has outstanding loan/grant packages with Rural Development that need to be addressed.

Meadow Park Lake dam maintenance - \$13,449 is remaining in grant funds. Consideration is requested on whether or not to proceed with the bridge project to use these funds, in conjunction with funds reserved to provide access to the other side of the lake. That project is estimated at \$150,000. If that project is not approved, then it is recommended that fencing and a new valve be installed out of the remaining grant funds for security and safety.
