Discussion and action on operations at airport

SUMMARY:

Councilmember Souza has requested the following to be discussed and acted on:

- (1) Appointment of City Manager as having oversight and authority of airport
- (2) Formal audit of Crossville Aero fuel sales from April 2008 to present
- (3) Security plan for airport
- (4) Review of all recommendations in Business plan
- (5) The placement of the airport plan on the Crossville website to insure transparency is maintained as members of the council have pledged in their election campaign
- (6) Disposition of the airport vehicle and Kubota tractor pursuant to the legal opinion germane to the same.
