### Discussion and action on Waste Water Treatment Plant emergency work

**SUMMARY:** City staff is working with the Engineer in receiving written quotes for the sludge removal of two basins that have been taken off line. A recommendation of a contract for the sludge removal will be available at the meeting along with all quotes being tabulated.

City staff is reviewing a proposal from the second low bidder for the remainder of the mechanical work at the waste water treatment plant. A recommendation to move forward with this work will also be available at the meeting.

### BUDGET ACCOUNT:

**NECESSARY COUNCIL ACTION:** Approve a contract with the recommended sludge removal company as an emergency purchase and approve the possible recommendation of a contract with the original second low bidder for the completion of the remaining mechanical work.
