Approval for inventorying waterlines

SUMMARY: On October 18, 2022 request for qualifications (RFQs) were received for inventorying waterlines. The EPA has changed their rules on lead and copper waterlines. They must all be inventoried and tested before October 16, 2024. There was only one submission from TruePani, Inc. Based off review of their submission, staff recommends awarding the bid to TruePani, Inc. The cost of the project would not exceed \$47,000.00. A budget amendment may be necessary.

BUDGET ACCOUNT:

NECESSARY COUNCIL ACTION: Award bid.
