Approval of budget for demolition at Garrison Park

SUMMARY:

Staff feels that the consultant's estimate for demolition of the stadium is too low due to the tipping fees for disposal. However, since we need the concrete and brick material to fill in the old water treatment plant location so the area can be opened up to hikers, we can avoid the tipping fees for all but the wood. We can sell the metal, doors, etc. on GovDeals and preserve the bricks we need to build a wall (or keep in place) to establish an outdoor exhibit of old photos from the original park when it hosted the professional team.

Estimated Budget:

\$10,000	Excavator Rental x 2 weeks:
5,000	Tipping Fees
<u>5,000</u>	Contingency
\$20,000	Total

BUDGET ACCOUNT: 110-41920-931-004

NECESSARY COUNCIL ACTION: Approve budget of \$20,000 for demolition being performed by Public Works.
