Ordinance amending the 2017-18 budget for cemetery truck

**SUMMARY:** The Utility Maintenance department has received a quote from Ford of Murfreesboro for a white, 2018 Ford F-150 regular cab 4x2 pickup for use at the cemetery. Ford of Murfreesboro has a contract with the State of Tennessee, Central Procurement office. State bid price for the truck is \$23,702.99. The Utility Maintenance department supervisor has reviewed the quote and recommends purchasing the truck. The purchase was budgeted and approved in the 2017/2018 budget. This was approved as a purchase for the water department.

The budget for this truck was mistakenly put in the water/sewer budget, rather than the cemetery budget. The funds will come from the Ledford Trust, but a budget amendment is required.
