TCAT Academic Building and Truck Driving Facility - Site Plan

SUMMARY: TCAT is proposing a new academic building and truck driving facility located on Interchange Drive. The facility includes a new building (approx. 24,000sqft), parking lot, two driveways, and two detention ponds for storm water.

STAFF RECOMMENDATION: Staff recommends approval of the site plan subject to any required storm water permits.

NECESSARY PLANNING COMMISSION ACTION: Approve the site plan subject to any required storm water permits
