Approval of TDOT estimates and contracts for engineering & professional services for 70 West- State Route 1 Obed River Bridge utility relocation

SUMMARY: Approval is requested of the attached water and sewer contracts with Hussey Gay Bell (Robert Stigall) for the engineering of the utility relocation on the TDOT bridge project on Highway 70 West - State Route 1.

At this point in the project the estimate for the engineering is all that has been developed and a construction estimate will be developed in the coming months. The TDOT form water and sewer Engineering Work Estimate is attached.

The Director of Engineering recommends the approval of the contracts with Hussey Gay Bell because of their good performance on the 127 North Utility Relocation Project.

BUDGET ACCOUNT:

NECESSARY COUNCIL ACTION: Discuss the approval of the two contracts and the authorization of the City Manager to sign the TDOT documents included with the TDOT form estimate.
