Discussion and action on requests from the County regarding the proposed Animal Shelter Building

SUMMARY: Mayor Carey has requested that all associated permit fees be waived; City crews install the sewer line from the tap to the area of the new proposed building and provide the contractor with a residential grinder pump for this project. His request includes that monies for the sewer line materials and the grinder pump be subtracted from the \$90,000 that the City is contributing for the new building. Mayor Carey's request is attached.

BUDGET ACCOUNT: 110-41990-720-009

NECESSARY COUNCIL ACTION: Approve waiver of building permit fees, extension of sewer line to building, and donation of residential grinder pump for the new Animal Shelter building as part of the City's financial commitment to the project.
