Matters relative to corporate hangar

SUMMARY: Mastercorp has requested to build a second hangar adjacent to their current one under similar terms. A proposed lease agreement may be available at the meeting. In the meantime, they are requesting a taxiway extension. Grant applications must be submitted by June 15. If the City is approved for the grant, Mastercorp would be responsible for the local funds.

NECESSARY COUNCIL ACTION: Approve lease agreement, and/or terms if available, and approve submittal of grant application.
