Discussion and action on grant contract for Jet-A Fuel Truck

SUMMARY:

The grant application to cover costs for a used Jet-A Fuel Truck was submitted to the Aeronautic Commission with a request for 75% funding. The Commission approved funding at 50%. The Airport Manager provided an estimated cost of \$35,000 for the purchase. The approved grant will cover 50% of the costs, not to exceed \$17,500.

BUDGET ACCOUNT: Funds available from capital outlays budgeted for the Airport, but not used.

NECESSARY COUNCIL ACTION: Approve grant contract for the purchase of a used Jet-A Fuel Truck.
