### Discussion and action on FY2018 Transportation Alternatives Program

#### SUMMARY:

Applications are now being solicited for FY2018 Transportation Alternatives Program (formerly known as the Transportation Enhancement Program) funding through TDOT. Mayor Pro-Tem Graham and City Manager Wood will lead a discussion on the potential of applying for funds for the sidewalks, street lights, and pedestrian signals for downtown. If approved, the grant will pay 80% of the costs. The deadline for applications is October 3, 2017.

This grant does not allow for the use of force account work (City employees doing the work). It will cover the sidewalks and pedestrian lighting. It will not cover pedestrian signals or traffic signals.
