Traffic Signal Replacement

SUMMARY:

During the recent ice storm, the signal pole and heads at the intersection of Hwy. 127N and Crossroads Blvd./Executive Dr. were taken out. Emergency replacement was required to get it back in service. A quote was received from Stansell Electric in the amount of \$7,300. However, this quote is based on using some existing equipment. If some of the parts do not work, the cost may be closer to \$8,000. The costs may be reimbursable if the County is declared a disaster area.

BUDGET ACCOUNT: 110-43100-343

NECESSARY COUNCIL ACTION: Approve emergency contract with Stansell Electric for replacement of signal at the Hwy. 127N - Crossroads Blvd./Executive Dr. intersection.
