Approval of TDOT contract covering construction on Section 2 of the Northwest Connector

SUMMARY:

The agreements and contracts on the Northwest Connector that were made many years ago are not in the same detail and format currently used by TDOT and they are requesting that new contracts be approved that cover all the areas.

This contract covers the construction on Section 2 of the Northwest Connector. It shows that TDOT ("Department") is responsible for the entire process.

BUDGET ACCOUNT:

NECESSARY COUNCIL ACTION: Approve contract
