Approval of TDOT contract covering right-of-way and construction on Northwest Connector Section 1

SUMMARY:

The agreements and contracts on the Northwest Connector that were made many years ago are not in the same detail and format currently used by TDOT and they are requesting that new contracts be approved that cover all the areas.

This contract covers the right-of-way and construction for Section 1 of the Northwest Connector. It shows that TDOT ("Department") was responsible for construction. The City is entitled to reimbursement covering 100% of the right-of-way costs.
