Discussion and action on hunting on City property

### SUMMARY:

As discussed at the September 3 work session, there is no policy in place regarding hunting on City property except for Meadow Park Lake. At that work session, Council generally agreed to continue to allow hunting at the old landfill in the Chestnut Hill community. A request has now been received to bow-hunt on the airport property. The requestor has received mixed information as to whether they can hunt or not on that property.

### BUDGET ACCOUNT:

**NECESSARY COUNCIL ACTION:** Make a determination on the use of City property, except for Meadow Park Lake, for hunting.
