Ordinance granting a 25-Year agreement to Middle Tennessee Natural Gas Utility District for gas pipes and gas mains in the City of Crossville

SUMMARY:

In 1955, the City of Crossville granted a 50-year agreement to Middle Tennessee Natural Gas Utility District for the installation and maintenance of gas pipes and gas mains in the corporate limits of Crossville. This agreement has expired. A request has been made to grant a new agreement for 25-years.

They have recently merged with Upper Cumberland Natural Gas Utility District and been able to change state law to allow them to add an additional commissioner to this Board. This commissioner will be from Cumberland County and is being named by Mayor Carey, as provided by law. They serve all or parts of 22 counties in Tennessee and are embarking on a major pipeline project estimated to exceed \$23.81 million.
