Ordinance amending the 2016-17 budget for Miox M2 System

SUMMARY:

Major repairs are needed to the Miox system at Holiday Hills. The cause of the failures is still being determined. The cost to replace the entire system is \$116,750. Due to the age of the system, it is recommended that it be entirely replaced rather than spending approximately \$80,000 to make repairs to the portion that has failed.

BUDGET ACCOUNT: Budget amendment required

NECESSARY COUNCIL ACTION: Pass a budget amendment.
