Approval for a grant application for the purchase of a Jet-A fuel truck

### SUMMARY:

At the March 14<sup>th</sup> meeting, Council approved submittal of a grant request for funding of a used Jet-A Fuel truck through the maintenance grant. Aeronautics has rejected that request as inappropriate for those funds. They have recommended that a separate grant request be submitted for the purchase of used truck through the regular grant programs at a 75/25 split, which is a better grant. The estimated cost for a used truck is \$35,000, with the local match being approximately \$8,750.

**BUDGET ACCOUNT:** Budget amendment required, if approved.

**NECESSARY COUNCIL ACTION:** Approve submittal of a grant application for a used Jet-A fuel truck.
