Discussion regarding approval of building permits for Habitat for Humanity

SUMMARY: Cumberland County Habitat for Humanity submitted its annual request for funding during the budgeting process and requested the costs of five building permits; however, an amount of \$8,000 was budgeted for water and sewer taps for five homes. The City is already obligated to donating water and sewer taps from a previous agreement in 2011 between the City of Crossville and Cumberland County Habitat for Humanity. This agreement allowed for Habitat for Humanity to receive 58 water/sewer taps in exchange for property located on Mockingbird Dr. (Tax Map 99L-C-024.00). They have currently used 18 of the taps.

Since the building permits were not discussed during the budget process, the City Manager requests approval.
