Discussion and action on request for connection to city sewer

SUMMARY:

Nick Bresaw, Co-Owner of Crossville Motorsports Park, LLC dba Crossville Dragway, has requested connection to the city sewer at outside-City rates for commercial installation. The property is located at 1605 Creston Road. The City has a line within 300' feet of their property on the eastern side, adjacent to Duer Soccer Complex. At a future time, they may request annexation, but they are not prepared to request it at this time. They understand their responsibility to pay all costs for the line extension, including connection fees.

BUDGET ACCOUNT:

NECESSARY COUNCIL ACTION: Approve connection at outside-commercial rates.
